

CORPORATE COMPLIANCE

HEALTHCARE CONSULTING SERVICES

The Office of Inspector General (OIG) continues to issue guidance for providers regarding fraud, waste and abuse, with an emphasis on the importance of effective corporate compliance procedures.

Our team of clinical, billing and healthcare accounting specialists can help you remain compliant through specialized services, including:

- Development and evaluation of Corporate Compliance Plans
- Review and analysis of PEPPER data to guide compliance activities
- Assistance with risk assessment to identify areas of payment vulnerability
- Conducting routine (annual, semi-annual or quarterly) chart audits to evaluate adequacy of support for claims
- Training and education to strengthen regulatory compliance in focus areas
- Periodic updates on regulatory changes and guidance on complex regulations to avoid unintentional non-compliance
- Assistance with investigating compliance issues
- Assistance with responding to governmental or third-party fraud investigations
