

## Bob Woock, MCSE

Lead IT Consultant

[bob.woock@saltmarshcpa.com](mailto:bob.woock@saltmarshcpa.com)

[www.saltmarshcpa.com](http://www.saltmarshcpa.com)

Bob is a manager in the Information Technology Services Department of Saltmarsh, Cleaveland & Gund. His company merged with Saltmarsh in May 2017, providing enhanced IT support and expertise to clients in our growing Central Florida operations. Bob's primary areas of experience include providing IT support for medium and small businesses across various industries such as manufacturing, accounting, and healthcare.

He has over 30 years of IT experience working in database and network administration as well as cyber security, both in the private sector and with the United States Marine Corp. He was honorably discharged from the United States Marine Corp in 1992 after 11 years of dedicated service.
