## IT Manager

joshua.duncan@saltmarshcpa.com  
www.saltmarshcpa.com

Joshua is an IT manager in the Information Technology Services practice of Saltmarsh, Cleaveland & Gund. He has over eight years of experience in providing end-user support, server management and security services. Joshua's areas of expertise include implementing new technologies and creating solutions to resolve information technology issues for businesses across various industries such as non-profits, construction and healthcare. Prior to working at Saltmarsh, Joshua was a system administrator for a national environmental corporation where he provided network support.
