Rachel is an Accounting Specialist in the Outsourced Accounting Solutions Department of Saltmarsh, Cleaveland & Gund. She has 10 years of accounting experience working in various industries including property management, real estate and small businesses. She serves our clients by providing support for QuickBooks® and other accounting software programs. Her areas of expertise include preparation and review of financial statements, as well as preparing, processing and filing payroll and sales tax returns. Prior to joining Saltmarsh, Rachel worked as an accountant at a regional accounting firm.

Certifications
