Bobby is a staff auditor for the Audit & Assurance Services practice of Saltmarsh, Cleaveland & Gund. He began his career in audit in 2023 and primarily focuses on performing audit and assurance services to manufacturing and financial services clients. Prior to joining Saltmarsh, Bobby worked at a Big 4 firm in Tampa for auditing publicly traded manufacturing clients. His favorite Saltmarsh Way Fundamental is #3 *Help the Team Succeed*, reminding him that it's not about individual recognition, but about supporting the team, whether stepping into others' roles when needed or prioritizing the groups success, ultimately leading to the best outcomes for our clients.
