Mel is the director of People Development at Saltmarsh, Cleaveland & Gund where she oversees all firmwide recruiting and learning development. Her areas of expertise include managing, coordinating and executing campus recruitment efforts and summer leadership programs, evaluating and preparing offers for hiring managers, as well as serving as the primary contact between managers, clients and universities. Prior to joining Saltmarsh, she served as the Recruiting Manager at a regional firm in Indianapolis and held recruiting positions with a Big Four firm and a global diversified industrial firm.
